Everybody gets down
Yeah Things get twisted
Turned around Broken dreams
Still come true So don't give up
No matter what you do**

Chorus

**It's better to Light a candle
Than curse the dark Love will find a way
Well it's Never to late .
To make a new start
It's better to Light a candle
Than curse the dark**

Verse 2

**Sometimes it's hard
But I gotta believe
There's Still a chance
For you and me So hold out
This stormy night Have a little faith
Everything's gonna be all right
It's better to Light a candle**

Chorus

**It's better to Light a candle
Than curse the dark Love will find a way
Well it's Never to late .
To make a new start
It's better to Light a candle
Than curse the dark**

Bridge

**They say what don't kill you makes you stronger
These trying times will soon be over
Well it's Never to late
To make a new start
It's better to Light a candle
Than curse the dark Light a candle
Than curse the dark**
